## L SQUARED OVERVIEW

L Squared seeks to make **long-term** investments in **leading** growth companies that operate in targeted sectors: Technology-Enabled Services, Industrial Technology & Services, and Education.

We have **over 70 years of collective experience** investing in rapidly growing companies.

Our **unique investor base of family offices** enables us to focus on long-term value creation driven by revenue and earnings growth, not financial engineering. We build flexible capital structures around each investment.

We **empower our management team partners to execute their vision** while playing a collaborative role to help address the challenges that rapidly growing businesses encounter.
